### Emphasis of Matter

4. We draw your attention to the following:
  - a. Note 8 to the standalone annual financial results which explains the uncertainties and the management's assessment of the financial impact due to restrictions and other conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.
  - b. Note 7 to the standalone annual financial results regarding overdue trade receivables (due for more than 180 days from the due date for payment) from public sector customers, aggregating to Rs.91.19 crores (net of provision) included in 'Trade Receivables' as at year end. The Company's Management believes that the aforesaid receivables are good and fully recoverable and that no additional allowances for credit losses are necessary in respect of these balances as at March 31, 2021.

Our opinion is not modified in respect of these matters.

### Board of Directors' Responsibilities for the Standalone Financial Results

5. These Standalone financial results have been prepared on the basis of the standalone annual financial statements. The Company's Board of Directors are responsible for the preparation and presentation of these standalone financial results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Company and the standalone statement of assets and liabilities and the standalone statement of cash flows in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the standalone financial results by the Directors of the Company, as aforesaid.
6. In preparing the standalone financial results, the Board of Directors of the Company are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Standalone Financial Results

8. Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls. (Refer paragraph 12 below)
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
  - Conclude on the appropriateness of the Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
  - Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.

### Notes

- 1 These financial results have been prepared in accordance with Companies (Indian Accounting Standard) Rules, 2015 (as amended) ['Ind AS'] prescribed under section 133 of the Companies Act, 2013 read with relevant rules, issued thereunder, and other recognised accounting practices and policies and in terms of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ['Listing Regulations'].
- 2 The Company's operations comprise of only one segment viz. Networking equipment.
- 3 In July, 2017, the Income Tax Department (Department) initiated proceedings under Section 132 of the Income tax Act, 1961 (IT Act) and in March 2018, also sent a show cause notice to the company under Section 276(C) of the IT Act for AY 2012-13 to 2018-19. The Company and its officials fully co-operated with the Department. During FY 2018-19, the Company and certain officers of the Company had received Summons under various sections of the IT Act from the Special Court for Economic Offences, to which the Company has responded. Post the ongoing proceedings initiated by the Department, during FY 2019-20 and in the current financial year, certain other agencies sent notices as part of their preliminary inquiries, which were duly responded by the Company and its officials. During FY 2019-20, the Company received notices of demand from the Department for additional tax payable amounting to Rs. 25.62 crore for AY 2017-18 (after adjusting the carried forward losses from earlier years) under Section 156 of the IT Act after making additions of various items to taxable income as per assessment orders issued under Section 143(3) read with Section 153A of the IT Act. The Department also issued show cause notices for initiating penalty proceedings under Section 274 read with Section 270A/ 271(1)(c)/ 271AAB(1A) of the IT Act and the Company has filed a stay application against the penalty proceedings. The Company had also received a demand order for AY 2018-19 for additional tax payable amounting to Rs. 0.48 crore. Following the Company's application for rectification of apparent computation errors in the aforesaid demand notices, during the quarter ended September 30, 2020 the Company received rectification orders u/s 154 of the IT Act for AY 2012-13 to AY 2018-19 under which the Company now has a cumulative net refund position for AY 2017-18 and AY 2018-19, after corrections were made by the Assessing Officer to the amounts of carry forward losses and TDS in respect of earlier assessment years. The Company has also challenged the orders passed by the Assessing Officer (AO) by filing an appeal with the Commissioner of Income Tax (Appeals) against additions of various items to taxable income for the relevant earlier assessment years. The Company is of the view that the outcome of these proceedings/ notices/ summons will not have any material adverse impact on the Company's financial results.
- 4 On July 4, 2018, the Company had received an Order from the Customs Excise and Service Tax Appellate Tribunal (CESTAT) with respect to applicability of excise duty on the software used as part of the Multiplexer products during FY from 2002-03 to 2009-10. The aforesaid CESTAT Order dealt with an earlier Order received during the FY 2010-11 with associated demand of Rs. 11.87 crore and various show cause notices on a similar matter received in earlier financial years leading to an additional demand of Rs. 24.88 crore i.e. a total demand of Rs. 36.75 crore. The aforesaid CESTAT Order was a culmination of the various appeals filed by both the Company and the Department of Central Excise in respect of both the earlier order and the show cause notices mentioned above that were heard by the Commissioner of Central Excise and CESTAT. According to the aforesaid CESTAT Order, the value of software is to be included for the purpose of arriving at the assessable value for calculating the excise duty liability on the product. Accordingly, CESTAT had remanded the matter back to the adjudicating authority in June 2018 for quantifying the differential duty liability, interest and penalties. The adjudicating authority vide its order dated October 31, 2019 passed an order quantifying the differential duty liability and penalty amounting to Rs. 42.92 crore (which includes the demand of Rs. 36.75 crore by CESTAT as mentioned above) and ordering recovery of appropriate interest. Additionally, the adjudicating authority has also imposed penalty on certain officers of the Company amounting to Rs. 0.90 crore. The total demand, in respect of this matter, as per the Order of the adjudicating authority, aggregates to Rs. 43.82 crore. The Company had earlier filed a Miscellaneous Application with CESTAT on August 19, 2018 challenging the aforementioned CESTAT Order passed in July 2018. Pursuant to the quantification order of the adjudicating authority in October 2019 as stated above, the Miscellaneous Application has been withdrawn by the Company as the Company has filed a fresh appeal dated February 6, 2020 before the CESTAT against the order of the adjudicating authority dated October 31, 2019. The Company had also filed a Civil Application on September 24, 2018 under section 35L of the Central Excise Act, 1944 along with a stay application before the Hon'ble Supreme Court of India against the aforesaid CESTAT order passed in June 2018. The same continues to remain pending for final hearing. The Company had, in previous years, also received show cause notices, from the Department of Central Excise in respect of FY 2010-11 to 2013-14 on a similar matter amounting to Rs. 3.01 crore which are not part of the orders discussed above and for which the company had provided its response. Based on Management's assessment, supported by an external legal opinion, Management has concluded that the Company has a strong case to defend its position in the above matters and accordingly, no provision has been made in these financial results.
- 5 a) The Company has, at various grant dates issued Restricted Stock Units (RSUs) to its employees at face value of the Company's share, which were approved by the Nomination and Remuneration Committee and the Board of Directors. For the quarter ended March 31, 2021, an amount of Rs. 1.12 crore (March 31, 2020: Rs. 0.91 crore) has been recorded as employee share expenses based on accounting as per Ind AS 102, 'Share-based payments'. ### 8 Impact of COVID-19 Pandemic

The spread of COVID-19 has severely impacted businesses around the globe. The situation is constantly evolving and Governments in certain states have imposed various restrictions with the increase in number of COVID 19 cases during the month of March 2021. The Company has considered various internal and external information available up to the date of approval of financial statements in assessing the impact of COVID-19 pandemic on the financial statements for the year ended March 31, 2021. During the year, uncertainties caused by the pandemic has resulted in some delays in customer payments and new orders. Management expects potential delays in executing the orders-in-hand, due to an increase in lead-time for sourcing semiconductor components. Based on current assessment, management is of the view that some uncertainty is likely to continue for the next few quarters, till large scale vaccination happens around the world and the demand-supply situation in the semiconductor component industry stabilises.

The Company does not have borrowings as at year end and in the view of the management, there is no significant impact on the immediate liquidity position of the company based on management's evaluation of future cash flows for the next one year. As at March 31, 2021, management has made an assessment of the recoverability of carrying values of Property, Plant and Equipment, Intangible assets, Inventories and Financial assets taking into account all possible impact of known events arising from COVID-19 pandemic.

Assessing the impact assessment of COVID-19 is however a continuing process given the uncertainties associated with its nature and duration. The Company will continue to closely monitor any material changes to future economic conditions.
